# Recording Memories

For the past 9 months, our Annual Staff members and advisors worked extremely hard to put together layout designs and copy for this 1987 Leopard Yearbook.

We printed some of our own pictures but we needed the help of some larger companies to develop our film. With so many activities it was hard to keep up with all of the picture printing.

I would like to thank Rochelle Bader, co-editor, for all her hard work and suggestions: Nancy Schnabel and Diane Jahnen, advisors, for without them this yearbook would not be possible.

Sincerely,
Michelle Ruff, Editor
